This fee is not assessed for accounts which are paid in full by June 1, 2017. After June 1, 2017 all accounts that have not already been paid in full will be assessed this fee, whether or not full payment is subsequently made. Any payments made in CFCA administrative offices are assessed a \$25.00 fee per transaction.

McKay Grant Processing Fee (\$395): For students enrolling in CFCA with a McKay grant. This fee offsets a portion of the added cost CFCA incurs for providing assessment, classroom accommodations, record keeping and other expenses on behalf of the student.

Other Charges/Fees: Mission trips, extended grade or class trips, college tours, service projects, retreats and other special functions and events that are not included in tuition may require additional fees. These activities are generally elective in nature, and the school will sometimes provide avenues of fundraising for students to earn a portion of these costs.

Payment of Tuition and Fees: Payment of the Enrollment Deposit is due at time of enrollment or re-enrollment. A student will not be considered enrolled until this deposit is paid. Parents or guardians may choose to pay the tuition in full at the time of enrollment or in 10 or 12 monthly payments beginning June 1, 2017. Any funds received by the school under this Enrollment Agreement for any purpose whatsoever may, at the school's discretion, be retained by the school and applied toward any unpaid balances owed to the school for current or prior year's obligations and charges.
