

Entering 4TH Grade Summer Reading List and Math 2023-2024

Dear Parents,

Studies show that students who read regularly are more successful across all curricula. Listed below are some suggestions for summer reading. If you are unsure about a reading level of a book, you can head to **arbookfind.com** and type in the title or author. It will give you all of the AR information for the book including the grade level. Please remember that the goal of summer reading and math is for enjoyment and to maintain and strengthen skills. It's amazing how 30 minutes a day three times a week during the summer can strengthen a student's ability.

Suggestions for the Summer Reading List:

[The Secret Garden](#) by Frances Hodgson Burnett

[The Courage of Sarah Noble](#) by Alice Dalgliesh

[Charlie and the Chocolate Factory](#) by Roald Dahl
