

# **GOOD CAUSE POLICY**

## CFCA TRANSFER GUIDELINES

A student-athlete meets our Good Cause Policy under any of the following circumstances.

- A. Any residency change that makes the location of CFCA more convenient for the family.
- B. The move will place the student at CFCA with other family member(s) who are already enrolled at CFCA.
- C. A monetary change or scholarship granted that enables the student to attend financially.
- D. Students who need a change of environment. At times, students need a change in their social circles.
- E. Students who desire more academic or spiritual attention in school.
- F. Students aiming to express religious freedoms with the focus of growing in their devotion to Christ.

CFCA will do our part to put new students in a Christian atmosphere that will help mold their futures. The administration holds the final decision for enrollment of all new students.
